* Infosys is the third-largest India-based IT services company by 2012 revenues.

Personal Projects

Apr 2013 – Present

Do Less

Do Less is a companion app for the native Reminders app on iOS, by which you could choose the three most important tasks to do at a time. Do Less helps you focus and accomplish more by doing less.
Github: https://github.com/rocwang/Do-Less
Avaliable in App Store: https://itunes.apple.com/us/app/do-less/id687301889?mt=8&uo=4
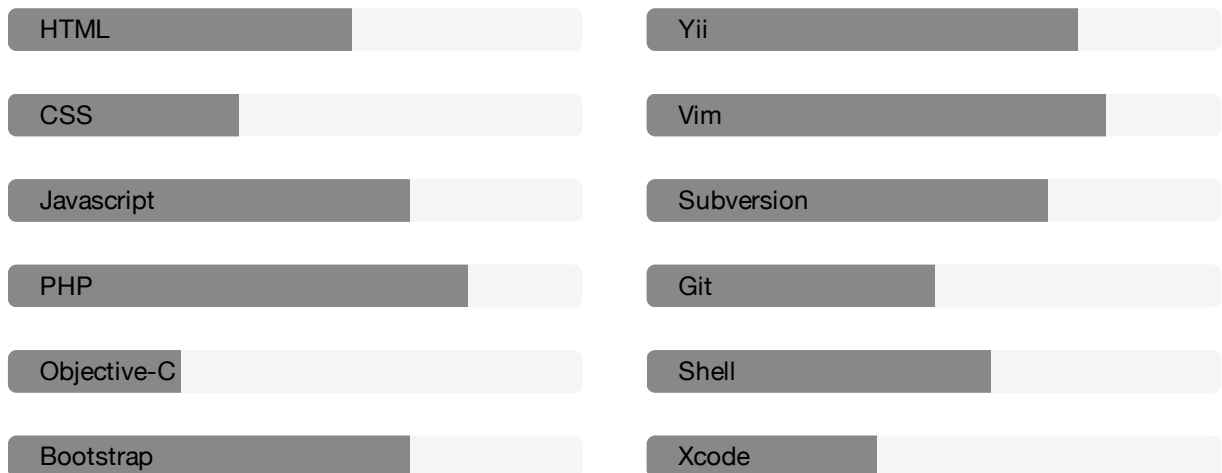

Aug 2008 – Sep 2008

Tilda

Created a patch which implemented the palette feature and got accepted by the Tilda project – a drop-down Linux terminal emulator for GTK+.

Skills

Skill		Skill	
HTML		Yii	
CSS		Vim	
Javascript		Subversion	
PHP		Git	
Objective-C		Shell	
Bootstrap		Xcode	

Education

University of Electronic Science and Technology of China
Sep 2007 – Jun 2010
Chengdu, China

Master of Engineering

Computer System Architecture, GPA: 3.54/4
